

The Mountain Dell staff would like to invite you to join the 2009 men's association. League play is every Thursday beginning May 7th. Tee times are available to our members from 9:00 a.m. until 5:30 p.m. Tee times will be the same as last year but please call to confirm your tee time as soon as possible. Groups that do not call to confirm may lose their spot. For new members you may call on Tuesday May 5th to reserve your tee time.

2009 Fee structure is as follows: \$20.00 annual dues, \$7.00 weekly payout fee (\$6.00 net and gross payout, \$0.50 net skins, \$0.50 gross skins). Scores and results will be posted as early as Friday and no later than Monday. Emails will be sent to notify members when the results have been completed. You can find these results on the Mountain Dell Men's Association website (mountaindellmens.com) or in the foyer next to the restrooms.

Player of the Year points will be awarded weekly. These points are earned by the low 12 gross scores. Eight man teams are filled based on the top point winners and captain picks. We will again field two regular teams and one senior team (50+ in age). If you are interested in participating please let us know asap. The club championship will be the last chance to earn points for player of the year. Points will be awarded for the first round score, second round score, and total championship score. Anyone in the hunt can make a huge push by playing well in the club championship.

The Mountain Dell Club Championship is scheduled for Thursday August 27th (round one) and Saturday August 29th (round two). Participants will play round one Thursday with his regular weekly group. Saturday's round two will be an 8:00 a.m. shotgun start followed by an awards banquet during which lunch and drinks will be served. The pairings for round two will be based on the player's round one score. The club championship has grown each of the last two years and we hope to continue increased participation. For those who have not been able to participate the last two years should make a serious attempt to play in 2009. Not only are payouts very good but the grounds crew spends countless hours getting the golf course in immaculate condition for this event.

There are a few changes for 2009. First off we have replaced the member/guest best ball with something a little different and hopefully more exciting. We would like to introduce to our members the First Annual Mountain Dell Men's Match Play Championship. Details for this event will be available soon. We will still have the Sorensen two man scramble on May 23rd so find a partner and sign up. We will begin taking sign ups the first day of league play Thursday May 7th.

Our goal at Mountain Dell is to provide you a great golfing experience in a competitive, low stress environment. Handicapping will remain the same as 2008. After 3 rounds players will have a league handicap. Your UGA handicap has no influence on your league handicap. Handicaps are updated weekly and are solely based on league scores. This eliminates sandbagging and everyone should win throughout the year. Players are responsible to post scores into the UGA computer at his discretion we will not post scores for you.

The Mountain Dell staff would like to express our appreciation to all of our men's association members for your loyalty and contributions you make not only to Mountain Dell but also its' men's association. We are looking forward to another great year for Mountain Dell and the Men's Association and look forward to seeing you on a regular basis.

Sincerely,

Mike Brimley: Head Golf Professional

Jeremy Green: Assistant Golf Professional
